2. The Collector of Belgaum has submitted his remarks which will be found at ₹49 c/s. It will be observed that the Collector recommends the request of M/s Consolidated Electric Agencies to increase the security deposits. In this connection it may however be stated that it has already been decided to refuse the request of M/s Consolidated Electric Agencies for increase in the security deposits in respect of the Undertakings controlled by them. Orders refusing the proposed increase have already issued in respect of the Talgaon Hy. Undertaking. They have now however approached Govt. to reconsider their case and the question is being considered separately. The decision arrived at will be applicable to this case. These papers may accordingly be kept in await till the decision on the Talgaon case is reached.

To

The Collector of Belgaum.

Sir,

With reference to your endorsement No.MSCSR-772, dated 23-2-51, I have the honour to inform you that the present limits of the deposits for lights, fans andMotive power should not be increased. It is for the company to be vigilant about the collection of its dues. As the supply is intended for public convenience, it should be least burdened with conditions. If at all, it is decided to increase the limits of deposits, the company should be made to pay interest to the depositor at the rate of six per cent per annum.

Yours faithfully,

To

The Collector of Belgaum.

Sub:- Condition of supply in respect of Belgaum Licences security Deposits against monthly bills.

Ref:- No.MSCSR-772, of 23rd Feb. 51.

Sir,

With reference to your letter above I hereby inform you that this Municipality strongly opposes the increment in deposit fees by the Electricity Co. from the consumers from Rs 5 to 10. The numbers of defaulters is very small and it is sheer injustice to penalise others who pay regularly. Hence this opposition.

2. A good amount of interest the company is getting on the amount of Deposit which is lying with the Co. It is our request that the Co. which is up till now using the amount for its own benefit, be given to the Municipality of the area, for the benefit of the public.

Yours faithfully,

The Company is getting a good amount of intere st up to this time on the amount.The amount which the company is using up till now should be given to the respective municipality for the benefit of the public.

Of the three local Authorities viz the Belgaum Borough Municipality and the Shahapur Municipality and the Cantonment Board, Belgaum which were consulted in the matter, the Presidents of the Belgaum Borough Municipality and the Shahapur Municipality have, after consulting their respective municipal ~~Boroughs~~ Boards communicated that the deposit amount of Rs. 5/- now prescribed against payment of monthly bills should not be increased to Rs. 10/- as requested by the Consolidated Electric Agencies Ltd.Bombay. But the Executive Officer Belgaum Cantonment Board, has supported the request of the Electric Agencies. Copies of replies received in this connection from all the three local authorities mentioned above together with copies of the resolutions adopted by their municipal/Cantonment Boards in the matter are enclosed for perusal.

It is learnt from the Engineer of the Company that the Company is experiencing difficulties in recovering the arrears of its bills from its consumers and that the number of consumers ~~and that the number of consumers~~ who remain in arrears of monthly bills exceeds 25% of the total bills. There appears, therefore no objection to grant the request of the Company.
